

SWIMSKILLS CLINICS

"Thanks to you (and your helpers) for putting on a superbly organised Swimskills day. All the swimmers and their parents had an enjoyable and beneficial day. The Boldmere Swimmers were a credit to the club and their parents. I spoke to parents from Lichfield and Gloucester - they could not believe how well organised it was. They will definitely be coming to the other sessions." (BSC parent).

"Fantastic day! Please put my daughter down for the two remaining clinics" (BSC parent)

I'd just like to thank you for giving XXXX the opportunity to attend the two skills clinics last week... long days when you throw in the travelling from Gloucester, but I'm sure well worth our efforts.....Brilliant organisation, so thanks for your efforts, which must have made a difference to all the kids who attended. Keep up the good work! (Gloucester parent)

3 days after the clinic XXXX used his new fly technique as taught by Bill Furniss.....resulted in a reduction of 7 seconds on his PB! (Boldmere parent)

Thank you for another superb couple of days. Outstanding! We really appreciate being given chance to take part. XXXX won 5 Golds and one Silver in the County Championships shortly after the clinics - thanks in large part to what he learned at the clinics I am sure. Your club was again welcoming and friendly.
