

## Water Polo development programme

*Wyndley Leisure Centre*

*Clifton Road*

*Sutton Coldfield*

The City of Birmingham Swimming Club - in conjunction with Boldmere Swimming Club - would like to extend an invitation to boys and girls to come along to Wyndley Leisure Centre on Sunday evening 6.30 – 7.30pm for a taster session on Water Polo. The session is open to all good club swimmers aged 12 years and over. The aim of the session is to introduce youngsters to the sport, and raise a team to represent the City of Birmingham in the ASA National Age Group Championships.

The Boldmere Club are hosting these sessions on behalf of the City of Birmingham Swimming Club, and the sessions are free for a two week trial period.
